Antonio & Lisa Roleplay

Antonio is an elderly man with moderate dementia symptoms.

Lisa is a health worker responsible for the care of Antonio.

Antonio [walking along the aisle, he looks very confused and agitated]

Lisa [stops him and tells him]: Go to the living room because it's time for dinner in a while.

Antonio [annoyed, he replies]: I have to go to dinner with my daughter and I cannot find the exit door!!

Lisa [insisting]: you don't have to go see your daughter today.

Antonio [even more angry he becomes verbally aggressive]: go away from me, you don't know anything!! [starts heading towards the door to open it with force]

Lisa [gets scared and calls her coworkers]: someone come help me quick, Antonio is trying to get out!

Lisa's colleagues [arrive with frightened faces and begin to scream]: Stop, stop Antonio you can't go outside, it's raining"

Antonio [he feels like he is in prison, he gets even more agitated and puts more strength in opening the door]

[When Lisa approaches Antonio, he becomes physically aggressive towards her]

Lisa [she is terrified and moves quickly away leaving Antonio alone]

Antonio [he remains alone and desperate believing he is in prison and starts screaming louder and louder]: Get me out, get me out!!!
